Getting around in Langkawi

Taxi

Getting a taxi is a convenient way to get around, taxis operate on a fixed rate depending on the distance. If traveling as a group, book for a Langkawi Taxi Van with an experienced English / Arabic speaking driver is certainly your first choice.

Rent a car

The most convenient and cost-effective way of getting around Langkawi is to rent a car. Being a small island, a typical drive from end-to-end will usually take 30 minutes. In Malaysia they drive on the left hand side. Remember to always bring your driving license, valid credit card and additional proof of identity (such as a passport if you are hiring abroad).

E-hailing Apps

Fret not if you prefer to rely on the all-too-familiar e-hailing app. Grab and MyCar are the two most popular apps in Langkawi although other e-hailing companies are already making headway in this popular tourist destination.

Motorbikes & Scooters

Not only are motorbikes and scooters cheaper than renting a car, they're fun, convenient, and a common way to get around. They're so common that they are not strict on the license front although wearing a helmet is a requirement.

Bicycle Rentals

Although most motorbike and scooter rental outlets have bicycles for rent, you can actually book them ahead of time online via sites like Bkago and Klook. Paddling across the beatific landscape on an e-bike is another exciting option!

Weather

Langkawi's daily weather is mostly sunny with temperatures varying between 30°C - 35°C, and between 28°C to 29°C at night. With accommodating climate all year round, you can plan your beach vacation any time you like.

Language

Malay is the national language of Malaysia, used in official ceremonies and documents. English is the second official language of the country, and most Malaysian can speak English fluently. Other major languages spoken are Chinese and Tamil.

Culture

The majority of the island's population is Muslim, as such please keep your attire modest especially when visiting traditional / religious attractions. Please refrain from wearing revealing clothes unless you're at the beach.

Travel Adaptor

Malaysia uses the G plug type, which has three rectangular pins arranged in a triangular pattern and operates on a 240V supply voltage and 50Hz frequency.

Mobile Pack

The best and cheapest way is to get a prepaid SIM card. Service and sales counters can be found at the arrival hall of Airport and jetty as well as convenient stores.

Money Changer & ATM

Money changer and ATMs are located at the airport and jetty, Kuah town, Pantai Chenang and most shopping malls.
